This week we partnered with Ivy House London who are experts in leadership and life skills and decided to explore what role leaderships plays in our lives. Having effective leadership skills is essential as this can motivate people and help them achieve the very best. It's important we talk about this as it has been reported that there is a shortage of leaders.

As our voters are the upcoming generation, it was important to educate them on this topic as well as allow them to share their thoughts and opinions in this VoteTopic lesson. 35,757 young people all over the UK took part and it was interesting to see what they had to say and if they could potentially be leading in the future one day.

Sample of 35,757 voters

Voter Comments - Primary KS1: "Are you a good leader?" & Primary KS2: "Do you see yourself as a leader?"

"We believe we are **good leaders** because we are **helpful and kind**, we stand up for our friends, we are always **honest and loyal**. We make sure we are **supportive**, and we enjoy leading our class to victory."

Primary School, Essex

"I see **myself** as a leader because I **help younger** pupils."

Primary School, Surrey

"I **don't always** believe in myself, but I know that I have **some qualities** of a leader."

Primary School, Surrey

I think **everyone has the chance** to be a good leader because everybody has the qualities, you just **need to learn** how to use them correctly. You also need to **believe in yourself** and what you do so people look up to you. That is how I can be a **confident, kind leader**."

Primary School, Essex

Voter Comments - Secondary: "Do you see yourself as the leader in your own life?"

"I see myself as a leader because I tell my friends the **right stuff** to do and try to **practice what I preach**."

Secondary School, West Midlands

"We make **the decisions in our life**, parents, teachers and peers can **provide information** and guidance but ultimately the decision **is ours!**"

Secondary School, South Yorkshire

"You **can** be the leader in your life if you **choose** to be the leader in your life."

“You shouldn't let others **control** your life as they might make the **wrong decision** for you. You need to find **your true potential** for yourself and shouldn't be guided by your peers. This can be difficult at our age because we are **restricted** to an extent by our parents and guardians but where we can make decisions it is important that we take these for ourselves and take **ownership** of our own **lives and happiness.**”

Secondary School, Wiltshire

“I don't think so as **our decisions** can be **influenced** by other people or people around us so it would partly be us but also by other people”.

Secondary School, West Midlands

“Not at this point in my life, mainly because of **my age** and the **amount of homework** and **assessments** we have. I do feel in control to a **certain extent**, but not all the way.”

Secondary School, West Midlands

“You are **told** what to do until you are **18** and then you can become a **leader** in your **own life**”.
